Step 2 Describe Your Product

PRODUCT _____ **of** _____ (To submit additional products, photocopy this form.)

PRODUCT NAME: (Do not use all caps. Include trademark symbol, if applicable.)

HCPCS CODE: (SADMERC letter must accompany this form for the code to be published.)

COMPANY NAME:

DESCRIPTION: (Must be 20 words or less; longer descriptions may be edited. Do not use product name in description. Avoid claims and strong sales language.)

HOW SUPPLIED/SIZING:

Step 3 Choose a Category for Your Product

Choose a Category/Product Type from the "Category, Product Type and Features" sheet. Place the number corresponding to your product's Category/Product Type in the box at left. Example: The number for Abdominal Binders is 1.

Step 4 Select the Features that Fit Your Product

Now that you have selected a Category/Product Type, you are ready to select from a list of Features that may further describe your product. Find your Category/Product Type (from Step 3) and refer to the list of Features below it. Select the Feature(s) that fit your product and place the corresponding number(s) below.

Step 5 Attach Supporting Documents for Your Product

In order for your product to appear in *BariatricSource*, our editors must review your Supporting Documents. Supporting Documents include published product literature and/or package inserts. Submissions without Supporting Documents cannot be published. Clip your Supporting Documents to this page.
